TOM ROADY SAYS:
"Our Used Car Creed"

"When we sell NEW automobiles we act chiefly as a retailer selling merchandise that bears another's name and reputation, but when we sell USED cars, we take on some of the responsibility of a manufacturer. The various USED cars that we sell are no longer warranted by the original maker, in effect they bear OUR name. We can't afford to jeopardize our reputation by selling merchandise (used cars) we cannot offer with pride and confidence."
