Chamber of Commerce

BRUNNER TO HEAD EDUCATION GROUPS

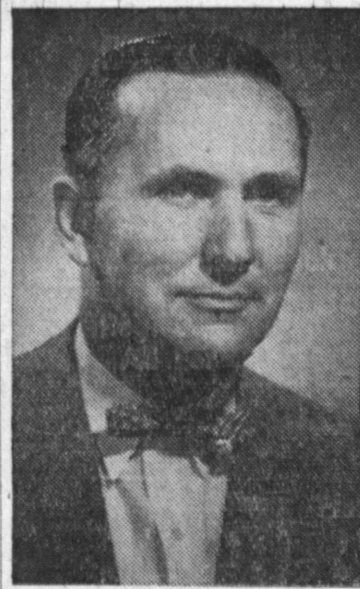

Fred E. Brunner, assistant superintendent of industrial relations for the Torrance Works of United States Columbia-Geneva Steel Division, was appointed chairman of two Torrance Chamber of Commerce committees, it was announced today by President A. E. Thompson.

Thompson said that the young steel executive would head committees concerned with education. The first will be a "Teachers Welcome" Committee designed to arrange luncheon and welcoming ceremonies for 175 new Torrance teachers, tentatively scheduled for September 5. Brunner will also serve as chairman for Business-Industry-Education Day later in the year, Thompson added.

Brunner, 39, and a graduate of the University of California, has been employed by Columbia-Geneva for over 17 years. He served as a fighter director officer in the US Navy during World War II, in the South and Central Theatres.

Brunner and his wife Sue, live in the Hollywood-Riviera section of Torrance, with their two children, Sue Virginia, 2, and Fred Jr., 4 months.

Other members of the education committee include Dr. Warren W. Hamilton, director of special services for the Torrance Unified School district; Glenn Koger, general manager of Rome Cable corp.; Fred Todd, general manager, Bethlehem Pacific

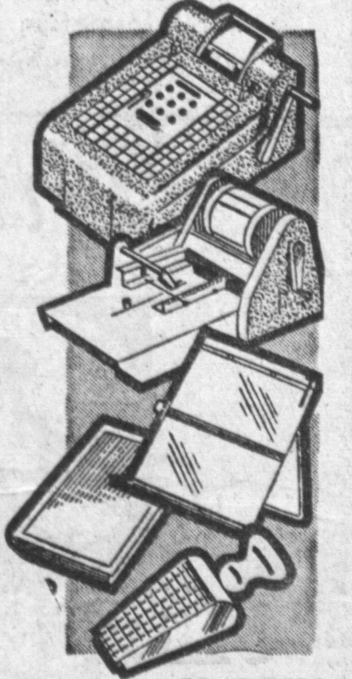

Coast Steel corp. and Darwin D. Parrish, owner of Parrish Stations and a member of the Board of Education.
