### Open House Scheduled Friday In Civic Auditorium

The Torrance Civic Auditorium, at El Prado and Crenshaw ave., will be the scene of this year's Recreation Department open house on Friday, August 23. And, from all indications, a gala array of events and displays are in store for visitors.

The purpose of the open house event is to acquaint the public with the crafts program that has taken place at the parks and playgrounds throughout the summer. In addition a show is presented in order to illustrate various other recreational facilities as well as to provide entertainment.

All of the parks and playgrounds will have various craft items on display, representing various age groups that have participated in the local program. These will be judged and ribbons will be awarded.

The theme for the show is "Recreation through the Ages."
