**Hollywood Studio Players Will Present 'Bus Stop'**

The Hollywood Studio Players' premiere performance in Torrance, at the Civic Auditorium on Friday, August 30, of William Inge's hit comedy "Bus Stop" is only the first of a series of great plays to be brought to the people of Torrance.

Lawrence as "Cheri," Knobby Schaefer as "Bo" and Myron Dean as "Dr. Lyman." Miss Lawrence has appeared in such hits as "Annie Get Your Gun," "Meet Me in St. Louis" and "The Merry Widow." Schaefer played "Bo" in "Bus Stop" last season in Hollywood as well as appearing in "Claudia," "The Late Christopher Bean" and "Julius Caesar." Dean starred in "Babes in Toyland," "Kiss Me Kate" and "Annie Get Your Gun."

Brun as "Virgil," Lagene Guye as "Grace," Betty Fluet as "Elma," Fabian Dean as "Carl" and G. W. Lewis as "Will." The play is directed by Jason Langley. Schaefer toured the western states as a bronc riding cowboy in many rodeos and has made several western motion pictures. Besides playing stock and many road shows such as "Claudia," "The Late Christopher Bean," "Three's a Family" and playing the role of Mark Anthony in "Julius Caesar." He played "Bo"

**TEENAGERS ALERTED TO NEW DRIVING LAWS**

Teenage drivers are affected vitally by a series of new laws which go into effect September 11.

Major changes made by the Legislature at its 1957 regular session in statutes involving the driving privilege of young people were listed today by State Motor Vehicles Director Paul Mason:

1. A driver accompanying or supervising the driving of the holder of an instruction permit must be 18 years old or over.
2. The junior license as Californians have known it based on residence will no longer be issued.
3. Young people 15½ years old who have successfully completed in California a secondary school course in behind-the-wheel driver training may be issued a regular operator's license.

urban residents. The theory was, that lack of adequate transportation facilities in farm districts made it advisable to extend driving privileges to some qualified 14 and 15-year-olds residing in those districts. The new law makes no distinction between rural and urban residents, but sets up a program of issuing "junior permits" to any qualified person between 14 and 16 years of age, and abolishes the "junior operator's license." In no case may a "junior permit" be issued to a person 16 years old or over. Instruction permits will continue to be issued to persons of any age over 14 years, with the new limitation that instruction permit applicants must be qualified for a license in the first place. This means that applicants of any qualified age must pass the DMV law and vision tests before being issued an instruction permit.
