

8 Bands in National Convention

Beside the Torrance Area Youth Band, the National Band Clinic has released the names of the other bands to participate in the National Band Clinic at the world famed Sherman Hotel in Chicago in December.

These are: the Maury High School Band, Norfolk, Virginia, the Centerville, Iowa, High School Band, the Larsen Junior High School Band of Elgin, Illinois, the Rochester, Minnesota, High School Band, the Lockport, Illinois, High School Band, the London Ontario, Canada, Police Boys Band, and the Vandereock College Band of Chicago.

Bands are chosen strictly on their playing ability and are required to play one two hour concert for the visiting music teachers at the clinic.

National recognition to the Torrance Area Youth Band as well as to the city will be achieved when pictures, articles, and announcements of the band's appearance will be published in several national music publications.

The Youth Band plans to make the trip by plane, leaving on Sunday, December 15, and returning the following Sunday, December 22.

North High To Organize Alumni Group

The class of '57 of North High school will have an organizational meeting to form an Alumni Association on Wednesday, August 28, in the North High school cafeteria. The meeting will start promptly at 7 p.m. Election of officers, appointments of committees for Homecoming and Constitution, and general discussion concerning the organization of the Alumni Association are slated on the agenda.

A beach party for members and dates will follow the meeting. Members are asked to please provide their own food and transportation. As the meeting will be restricted to members only, arrangements for meeting dates, who are non-members after the meeting, should be made.

Art. Group To Discuss Paintings

Looking at Modern Painting is the topic that the Torrance Art Group has chosen for a group discussion course. The material for this discussion series has been prepared by the Art Department of UCLA under a grant by the Ford Foundation.

Starting time for the series will be announced later. It will consist of ten sessions, with a new topic being discussed at each session. Some of the things to be covered are: Cubism, Expressionism, Surrealism, etc.

There is a fee for the series, which includes a very fine book on art containing many color illustrations. A group discussion leader will conduct the series.

Anyone who is interested in participating in this discussion series may call the Torrance Recreation department.

SPRINKLER SYSTEM SERVICES CENTER

All of the landscape design and supervision for South Bay Center, 174th St. and Hawthorne Blvd., was done by architect John Ratekin.

An automatic sprinkler system irrigates all planting areas with the time clock control.
