'All My Sons' Opening Set for September 13

The forthcoming Hampton Players production of "All My Sons" is heavy with local talent; for example, Carl Rogers of Hollywood Riviera is cast in the leading role of Joe Keller, while Patricia Coates of Palos Verdes is cast as his wife, Kate Keller.

Carl has had much experience in local little theater work, having been seen last as the attorney in "Witness for the Prosecution". He has been cast also as the father in the Hampton Players' production of "Sabrina Fair" and as the Secretary of State in "Affairs of State".

Patricia Coates has not only acted in various little theater productions, but also directed such shows as "Paint Your Wagon" for the South Bay Civic Light Opera and "Anastasia" for the Palos Verdes players.

Margaret Middleton of Palos Verdes was recently seen in the role of Agatha Reed in "Good-bye, My Fancy", and as Susan in "The Little Hut".

The first showing of "All My Sons" will be Friday, September 13, at 8 o'clock in the Players Theater, 129 South Pacific ave. Redondo Beach.

Doors that slide make cabinets more attractive

Cabinets will be more attractive and their accessibility improved if they are fitted with sliding doors made of Masonite "Peg-Board" or Tempered Presdwood panels. Sliding glass doors also take up less space in a room than the hinged type.

Tracks for the doors can be cut in the framing with a bench saw or the work can be done by the lumber dealer when material is purchased. Edges of the door panels should be beveled to permit easier sliding.

Free construction tips on installation of sliding doors can be obtained by writing to the Home Service Bureau, Suite 2037, 111 West Washington street, Chicago 2, Illinois, and requesting plan No. AD-239.

LIONS CLUB PROJECT

Patient Gladys Kline is being examined for her visual problem by Dr. Warren Harvard Low, local eye specialist, and assisted by nurse, Lorraine Hart. Both her examinations and any aphthamic prosthesis that might be needed will be provided gratis, courtesy of the Sight Conservation and Blind Committee of the Lions Clubs, and by virtue of White Cane Days. The Lions clubs of the Harbor Area are now preparing for the Annual White Cane Days to be held by presidential proclamation on September 27 and 28. The funds accumulated by the sale of white canes will be used by the sight conservation and blind committee of local Lions clubs for aid to the blind, seeing eye dogs, braille typewriters, cataract lenses, and white canes. —Press Photo.

Quick relish

Leftover pickle juice has too much good flavor to be dumped inelegantly down the drain when the pickles are gone. Some of the dishes in which you use vinegar are even better when spicy pickle liquid is substituted.

Home economists recommend that you save the tangy juice for use in quick relishes such as sliced cucumber and onion rings or in preparing spiced beets.

Pickle juice also can be substituted for vinegar when making oil and vinegar dressing for a tossed green salad.

Ground cover
Trailing habit of the Ivy Geranium makes it ideal for ground cover in sloping areas or along parking strips in the mildew areas of California. It is just as attractive, however, when planted in hanging boxes, window boxes, or other type of container.

Apple tree
An apple tree is a happy addition to a garden all year long. It has unmatched beauty in flower, luscious fruit in summer, casts a light and useful shade in summer and provides a lovely silhouette after the leaves drop. Gardeners with small space appreciate dwarf types.
