WHILE STOCK LASTS

"Wide-awake-shoppers" — this flattery will get us somewhere, we hope, because we have decided to close-out all the kiddies' sleepwear in our stores. It's not that we don't like to have a lot of pajamas and sleepers in the store, it's just that we like children best when they are asleep... and we like them even better when they are asleep and wearing nightwear purchased at a fabulous Food Giant Market. Of course if you're not interested in children's pajamas, there are hundreds of other items on which you can save money at F.G. (We sell groceries, too). So if you're a wide-awake shopper of any kind come on in — just be sure to walk on tip toes, you might wake the kiddies.
