DEAR EDITOR....

Pop Warner Football

I am writing you concerning the Pop Warner Football program, which I am connected with.

Pop Warner Football is a pro-

gram for boys ten through twelve years of age, the boys play on an eighty yard field, and employ eight minute quarters. Top weight for the conference is 110 pounds.

I am with the Crusaders, a team made up of boys from all over the South Bay area. I don't believe that there is enough interest in our youth and what they are doing. I think if the public is made familiar with this Pop Warner program they will take more interest in what the boys are doing.

I thought you might like to help spread the Pop Warner program and help all the boys of the South Bay.

Thank you very much

In Re City of Lomita

Editor,
Recently a local newspaper ran an article regarding the boundary hearing of the proposed "City of Lomita" in which Supervisor Chace was supposed to have made a statement to the effect that he favored the incorporation of Lomita.

The Lomita Civic League wrote a letter of inquiry to Mr. Chace and the following is the reply we received.

We hereby submit the following letter in the interest of clarifying the position of our supervisor, and hope you will find space in your fine paper to print this.

Respectfully yours
Herbert B. Brisbin
President

Lomita Civic League
Mr. Herbert B. Brisbin, Pres.
Lomita Civic League
25034 Walnut St.
Lomita, California

Dear Mr. Brisbin:
I am in receipt of your letter dated August 19, signed by you and members of your Board of Directors, with the enclosed

clipping from the Lomita News allegedly inferring that I made a statement favoring the incorporation of Lomita.

I sincerely regret that my statement may have been construed in such a manner as to give that impression. The intent of my statement was that the boundaries as presented by the proposed City of Lomita appeared more logical than most others considered by this board.

It has been my policy not to take "sides" in incorporation proceedings, and it is my intention to continue in that neutral position.

With the sincere hope that the above will clarify any misunderstandings that may have arisen, I am

Most sincerely yours,
Burton W. Chace
