"MY LIFE'S WORK IS INSURANCE"

John N. Conshafter

"I got into it by choice, and I like it! It deals with personal insurance problems, which means I work with people. I help them buy their cars, protect their homes and plan their future security. These things are interesting and they are worthwhile. Let me help you with your personal insurance problems soon. I regularly receive special training for this work, too, so that I can continually serve you better."
