### YWCA Observes National Y-teen Roll Call Week

"Space for You and a Place for You" is the theme of National Y-teen Roll Call Week, October 13-19, when Y-teens of the Harbor Area YWCA join with those in YWCAs in more than 1,600 communities in this country to celebrate this annual event.

Mrs. Elton Spires, president of the Harbor Area Board announced today.

Local Y-teens during this week are inviting fellow teenagers to join with them in becoming members of this worldwide organization.

In the Torrance branch in addition to the club groups, a class for baby sitters opens, October 18 at 3:30 p.m.

In Wilmington Teen-age clubs are being organized as advisors are secured. An added feature planned for the near future will be a drop in center one night a week. The Wilmington YW is planning for an expansion of program with the facilities of its new building, 1242 North Avajon Blvd.

Y-teens of the San Pedro branch will be hostesses to 7th and 8th grade girls at a get acquainted party celebrating Roll Call Week on Wednesday, October 16 from 3:30 to 5 p.m. at the branch building, 437 West 9th st.

Y-teen Roll Call has been a national observance of the YWCA since 1948. Coming soon after the opening of school terms, it is a time when special attention is given to the YWCA's work with youth which began in 1881 with the founding of the Little Girls Christian Association in Oakland, California.

Today there are more than 400,000 teenagers including both boys and girls, the latter known as "associates" in the YWCA participating in some 6000 Y-teen groups in the United States.

This year Y-teens will have further opportunity to extend their interest in the world-wide aspects of the YWCA through a new world friendship project in which teen-age members of the YWCA throughout the United States will dress dolls of other countries.

One doll from each Y-teen club will be selected by the local group for an international display at the YWCA's 21st National Triennial convention to be held next March in St. Louis, Missouri.

The Y-teen program, an important part of the YWCA's work with youth is carried on through democratic clubs. Members choose their own officers and activities and representatives who attend summer camps, local, state, regional or national conference and other similar events.

In a Y-teen program, young people have an opportunity to develop their individual personalities and to assume community leadership. As members of the Y-teens, teen-agers also can participate in the wide variety of YWCA program including craft classes, discussion groups, service projects and many others.
