Jr. Chamber Opens Contest For Voice of Democracy

School eliminations in the Voice of Democracy contest being conducted by the Torrance Junior Chamber of Commerce will begin in the three city high schools November 7, it was reported this week by contest co-chairman Drs. Aaron Rouch and Al Kline.

The Junior Chamber is encouraging all high school students in the 10th, 11th and 12th grades to write and deliver five-minute scripts on "I Speak for Democracy." Contest finalists will appear at the Torrance Armory, November 14.

The winner will be entered in the state contest and will be eligible to receive an all-expense trip to the National Voice of Democracy Contest Awards Program held annually in Washington, D.C. during February. Full

contest is endorsed by the U.S. Office of Education—and approved by the National Association of Secondary School Principals. It has been sponsored locally for the past three years.
