Coffee-lovers this is your big weekend at

It's getting so that we can't step out into the store without someone (usually our mother-in-law, or somebody's mother-in-law) asking when Food Giant is going to have coffee on sale again. So in order to get all the mother-in-laws in the community off our necks for a while, we've decided to give you not one famous coffee on sale but three! Take your choice of your favorite brand and let us walk thru the store in peace. (Note to people who don't drink coffee: We've got all kinds of other things on special this week-end too — Come on in and annoy us—we love it.)
