

# New Oldsmobile is Re-styled Entirely

Exciting styling changes that enhance the appearance from every angle mark a completely new Oldsmobile for 1958. In addition, the General Motors division is introducing a true air suspension system, newly efficient and economical Rocket engines and an improved Jet-away hydraulic drive.

The 1958 Oldsmobile is on display at Cecil Thomas and Son, Pacific and Fourth sts., San Pedro.

Oldsmobile's new "mobile look" is very evident in the entirely re-designed body, new rear quarter panels, a new front end with recess-type grille and four-beam headlights, one-piece rear window with greater glass area and new rear deck and roof.

"The 1958 Oldsmobile has been completely and tastefully redesigned with distinctive and exciting styling. In fact, practically everything that you can see is new," said Jack F. Wolfram, Oldsmobile general manager and vice-president of General Motors. "We believe our new car is a fitting culmination of six decades of progressive product leadership, and is a fitting car to start Oldsmobile's

next 60 years of progress."

Oldsmobile for 1958 offers three different Rocket engines in its three series of cars. The economy-priced dynamic "88" series is powered by an engine with the new "Econ-o-way" dual carburetor and is rated at 265 horsepower. This engine, according to Wolfram, represents the greatest fuel economy improvement in Oldsmobile history. The super "88" and "98" series both have the Rocket engine with quad-jet carburetor and developing 305 horsepower.

The "98" series has four-

body styles in 1958—two hard-tops, Holiday sedan and Holiday coupe, a four-door sedan and a convertible. There are five body types in the super "88" series—Holiday sedan, Holiday coupe, four-door sedan, convertible coupe and Fiesta station wagon. The budget-priced dynamic "88" series offers a wide range of seven body selections—Holiday sedan, Holiday coupe, wo-door sedan, four-door sedan, Fiesta, Fiesta sedan and convertible.

Over 200 blind children who live in Los Angeles County are enrolled in the year-round program of the Foundation for the Junior Blind, one of the few non-profit organizations of its kind in the United States.

**TRIM AND TASTEFUL** front end of the 1958 Oldsmobile is revealed in this head-on view of a Dynamic "88" Holiday coupe available at Cecil Thomas and Son, Pacific at Fourth, San Pedro.

The recess-type grille, composed of aluminum louvers, the graceful hood lines and the new four-beam headlights blend into a new concept of frontal appearance. A protective note is added by the substantial front bumper with new contour and parking lights integrated in the outer bumper guards. The decorative side rim merges with the four-beam headlights in the front fender. New looking and distinctive, the headlights provide a 50 per cent increase in illumination on high beam and 25 per cent on low beam for improved night driving safety. At the base of the "span-a-ramic" windshield are air inlet grilles on each side of the hood.
