**Chest Asks Volunteers To Finish Job**

"All workers for the current Community Chest campaign should complete their assignments and turn in their contributions to their chairmen or the Chest campaign headquarters, 1025 S. Pacific Avenue, San Pedro, by November 27," Glenn Koger, Torrance City chairman, announced at a luncheon meeting of the campaign leadership held Monday, at the Hacienda Hotel, San Pedro.

Jay A. Robinson, Harbor Area campaign, who called the meeting and sponsored the luncheon, thanked those who have worked on the campaign and told city chairmen to do everything possible to encourage their workers to finish their jobs by Wednesday so that the Harbor Area will maintain its lead over the four other cities at the Associated Cities Report Luncheon, Thursday noon, at the Coconut Grove.

Said Koger, "Any donors who have promised to mail in checks, please do so at this time. Also any workers who have call backs to make, please make them before Wednesday so that your assignments will be complete."

He announced that all those who have worked on the campaign are invited to attend the

Report Luncheon at the Coconut Grove for \$1.50 a person and suggested that any who may be unable to attend because of a transportation problem, contact his immediate chairman who may be able to help him. Reservations for the luncheon at the Coconut Grove may be made by calling the Chest campaign headquarters.

**"MY LIFE'S WORK IS INSURANCE"**

John N. Conshaffer

"I got into it by choice, and I like it! It deals with personal insurance problems, which means I work with people. I help them buy their cars, protect their homes and plan their future security. These things are interesting and they are worthwhile. Let me help you with your personal insurance problems soon. I regularly receive special training for this work, too, so that I can continually serve you better."
