

Local Man Gets CD Certificate

J. A. Lefeuer, 222727 Draille drive, Torrance, this week received a graduation certificate from the Los Angeles Civil Defense and Disaster Corps for completion of an intensive 32-

hour basic and light-rescue training course.

The training course, conducted by the Los Angeles City Board of Public Works at their Chavez Ravine Rescue Training Center, is designed to teach the basic procedures of emergency rescue to volunteer civil defense work-

ers, governmental employees and personnel of various local business and industrial firms.

Lefeuer, who is with the L.A. City Bur. of Engineering, received instructions in fire and panic control, first aid, stretcher lashing, horizontal and vertical lowering.

Open Drive To Recruit Teachers

An intensified recruitment program to secure teachers for both full-time and part-time positions in Harbor area schools operated by the Los Angeles City School System will get underway this week, it was announced by Associate Superin-

tendent William B. Brown, personnel division chief. Interviews and examinations for persons interested in the available positions will be held every Monday through December 9 at Dominguez Elementary school, 21250 Santa Fe avenue, Long Beach.

The special recruitment program will be conducted by Ross Hancock, recruitment consultant for the Los Angeles City School System.

This examination is for applicants who hold a bachelor's degree including six semester hours in professional education and do not have a regular California state teaching credential. They must have reached their nineteenth birthday and must not have reached their sixtieth birthday.

Persons who have a regular California teaching credential and who wish full or part-time teaching duty in high schools or elementary schools may secure applications by calling in person or mailing a request, accompanied by a stamped, self-addressed envelope, to Personnel Division, Room P-114, Los Angeles City Board of Education, 450 North Grand Avenue, Los Angeles 12, California.

Applicants for junior college and secondary regular and part-time teaching positions, who do not have a regular California state teaching credential, may call Madison 5-8921, Extension 241, for an interview.

"Starting salaries for substitute teachers will range from \$22.50 a day to \$24.20 a day. This makes substitute teaching posi-

State Chamber Meets Dec. 5

The Thirtieth Annual State-wide Meeting of the California State Chamber of Commerce will be held December 5 and 6, in Los Angeles at the Biltmore Hotel. Sen. Everett M. Dirksen, of Illinois, will be featured speaker at a Thursday luncheon meeting in the Biltmore Bowl. "The State of the Union" will be the subject of the address by Sen. Dirksen.

Conditions ideal for housewives and other persons who can be absent from their duties for only part of the week," Brown stated.

The presently adopted salary schedule for Los Angeles teachers call for a minimum of \$4500 and a maximum of \$8250 for a tenth month school year.

The Dentist Says:

Denture Gapping Can Be Eliminated

By ERNEST J. TARR, D.D.S.

"Why does my dental plate gag me and what can I do about it?" asks Mrs. R.C.S. of Redondo Beach.

There are a great many people who suffer from gagging sensations due to dentures. Among the most severe cases these persons are unable to wear any type of appliance in their mouths; among the less severe cases, they are able to wear their dentures only at short intervals.

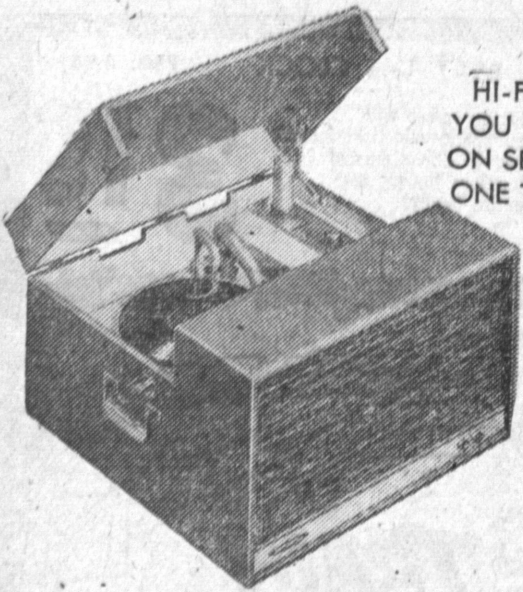

Modern dentistry has developed techniques for combatting this condition. One of these techniques is the roofless upper denture which leaves the palate completely free of any denture material. In order for the denture to obtain enough suction to stay in the mouth, retention is obtained around the ridge portion of the gums and in the labial sulcus.

Thousands of dentures have been made using this technique and the wearing of these roofless dentures has given new confidence and happiness to many people.
