

Commander Frank Foltz

Navy War Hero Gets Local Post

Commander Frank Foltz, former Commanding Officer of Attack Squadron 192, NAS Moffett Field, Calif., has been assigned as Assistant Bureau of Aeronautics representative at the El Segundo Division of the Douglas Aircraft Company. He succeeds Commander R. J. Thompson who has been re-assigned.

Foltz's new assignment, which recently became effective, is another step in an outstanding Naval aviation career which began in March, 1942. During the war he served as a fighter pilot aboard the carriers Yorktown and Intrepid in the Pacific, shot down 12 enemy aircraft, and was awarded the Navy Cross, three Distinguished Flying Crosses and two Air Medals.

He has served as project officer and jet engineering officer with Air Development Squadron Three, and as assistant officer-in-charge of a jet training unit. Foltz has made a total of 456 carrier landings.

His Navy Cross was awarded during the second battle of the Philippine Sea when Foltz made a direct hit on an enemy battleship with a 1,000 pound bomb. He and his wingman then sank an enemy destroyer and shot down two enemy aircraft while enroute back to their own carrier.

He and his wife, Marylane, and their three children, Don, Marylane, and Gail, live at 27665 Saddle Road, Rolling Hills.

"MY LIFE'S WORK IS INSURANCE"

John N. Conshafter

"I got into it by choice, and I like it! It deals with personal insurance problems, which means I work with people. I help them buy their cars, protect their homes and plan their future security. These things are interesting and they are worthwhile. Let me help you with your personal insurance problems soon. I regularly receive special training for this work, too, so that I can continually serve you better."
