Dress Designer To Show Gowns

Milady will get an advance look of what she'll be wearing next year and, during a tour of sewing rooms, friend husband will be shown why fashionable gowns cost what they do when success story visits Don Loper Friday, December 27, starting at 7 p.m.

Loper, who creates fashions for many of Hollywood's foremost stars and has a wide line of ready-to-wear dresses, will host the "live" television tour of his Beverly Hills establishment.

Viewers will see how gowns are designed and new fashions created. Working out of paper patterns, cutting of patterns, selection and cutting of imported materials, and actual sewing of gowns will be shown. Viewers will see, step by step, the creation of a new fashion from drawing board to the finished product modeled by a pretty girl. Many different 1958 creations also will be modeled and Loper will provide feminine viewers with tips on how to improve appearances.

According to the Los Angeles County Branch of the American Cancer Society, one-fourth of all cancer deaths in the United States could be avoided by earlier detection and prompt treatment of the disease by a competent physician.

Now the money we had To put on the line, But the problem was To find one in Time. When quick as a flash There came to our mind The name of the firm Who houses could find. Then soon we were hearing A list of their homes In Torrance and county We could buy with a loan. When several days later These places we had scanned We purchased our choice With a nice piece of land. If you know "Bill" It's not hard to believe In our home we were settled And by Christmas Eve. They made their last call And then in their flight Shouted...
