Traffic Death Toll Nears 1000

An all-out safety campaign to reduce the traffic slaughter during the holiday season was urged this week by County Supervisor Kenneth Hahn, who warned that Los Angeles county might set an unenviable, all-time record of more than 1000 traffic deaths in 1957. "Already 923 persons have died in Los Angeles county traffic this year compared to 857 for the same period last year. I hope that everyone will observe all the safety precautions during the two weeks remaining this year and help save lives," Supervisor Hahn declared.

His motion before the Board of Supervisors calling on all law enforcement agencies, press, radio and television to cooperate in the safety drive for the balance of the year was unanimously adopted.

Volleyball League Games Cancelled Over Holidays

Torrance Recreation Department Mens Volleyball League games, scheduled for December 26 and January 2, have been rescheduled for Thursday nights following January 16. League play will resume as scheduled January 9, according to Elmer "Red" Moon, athletic director for the city and league organizer. Moon also stated that, due to the rush of holiday shopping, team managers were having difficulty getting enough players out to meet the rule requiring six men to be present to avoid a forfeiture.

Carson Club Has Version Of 'Bus Stop'

BY J. E. GATELEY
The Carson Optimist Club has a novel way of celebrating the holidays. They charter a bus and the entire membership calls at each members' home.

The trip, as outlined by George Oldorp, president, starts at the home of Manuel Gonzales, 21520 Avalon Blvd., at 6:30 p.m. on December 28. From there the bus will make the rounds and pick up all the members of the club, and at the last house, all members will get out and inspect the Christmas decorations, and will be treated with appropriate refreshments.

The bus then will retrace the route, stopping at all the members home for more refreshments. Prizes will be awarded for the best decorations, but no prizes are to be awarded for the quality or potency of refreshments. The driver of the bus will be permitted to visit the homes, but will not be permitted to drink anything stronger than coffee.

The inspection trip will end at the Gonzales home at 2:30

FIRE TO COUCH
Careless cigarette smoking proved costly to a Carson resident on December 21 when a cigarette set fire to a couch at 420 E. Lincoln st.

Roland Schugg, occupant of the house, noticed that the couch was on fire before retiring for the night, and he thought he had put out all the fire to the couch. Later, neighbors noticing the smoke coming from the house, summoned the Los Angeles County Fire Department on Carson Street.

When the fire trucks arrived, they found the house filled with smoke, and had to force entrance through the back door. Damage of \$80 was reported to house and furniture. Rescue squad of the fire department treated Schugg for inhaling too much smoke.
