Savings Firm Offers Prize Contest To Celebrate Anniversary of Office

April is Anniversary Month at Southwest Savings and Loan. This year the event is being celebrated in Southwest Savings and Loan offices by a festive birthday party from April 1st through the 10th. Fred E. Edwards, president, and John A. Tweedy, vice-president and manager of the Torrance branch, issued an invitation to everyone to participate in the easy, prize-filled contest and to receive a free gift.

Displayed in each Southwest Savings' lobby will be a huge glass jar crammed with pennies. After studying the jar to determine how many pennies it may contain, the contestant is asked to write his entry on the space provided and drop the stub in a hopper. Winners will be notified by mail after April 10th as soon as judging is completed. Prizes, including two 21-inch Hotpoint TV consoles, six RCA Transistor radios and 1200 valuable food packs, will be evenly divided between the two Southwest Savings offices so that separate sets of winners will be announced from Inglewood and Torrance. In addition to the contest, Southwest's free gift to each visitor will be a five-package assortment of patented Koloroc garden seeds selected especially for the anniversary celebration by Norvell Gillespie, famed Southland garden authority. One year ago, Southwest Savings marked another great milestone in its growth when its Inglewood and Torrance offices moved from their original locations into modern, new buildings at 1603 Cravens. Civic leaders unanimously hailed the openings as a "source of pride to the community."

Torrance Needs Qualified Area-Wide Representation on the City Council

Dark areas above already are represented by incumbent councilmen. Light areas need local representatives.

May we suggest three candidates who are qualified for the job, live in areas without local representation, and merit your vote on Election Day, April 8.
