FOOD GIANT'S "Banquet Perfect" U.S.D.A. "CHOICE" STEER BEEF

CHUCK ROAST
49¢ lb.

Here are the best center cuts. No, none priced higher. And this fine, grain-fed steer beef is aged to perfection. It is today's outstanding meat buy, and especially so because all excess fat and heavy chine bone has been removed before weighing. Buy enough for two meals.

Chuck Roast GRAVY

If you have cooked your chuck as a pot roast, remove meat and any whole vegetables. Keep these hot in a separate pan. Then skim off fat and measure the remaining broth. Broken vegetables may be put through strainer and returned to broth. Add water to make 2 cups of meat broth (based on 3-lb. roast). Mix 1/2 tsp. flour into 1/2 cup water and add slowly to hot broth. Stir very well. Let boil 5 minutes. Add salt and pepper as needed. Serve hot in bowl...

SPARE RIBS
49¢ lb.

If you don't want to B.B.Q. outside, brown thoroughly in heavy pan, or in pan 4 inches below broiling unit turned to low heat. Pour barbecue sauce over ribs. Cover and bake in mod. oven for 1 1/2 hrs. Remove cover, baste ribs, and leave in oven for 15 more min.

MEATLESS BEEF ROAST **79¢ lb.**

Food Giant's special cut makes this roast one of today's best meat values. Absolutely waste-free, with all excess fat removed before weighing. A joy to serve... easy to serve. Yes, this is the same fine roast served in America's best restaurants.
