THE FRESHEST FRUITS & VEGETABLES

HERE'S WHY:

At 3:30 a.m., while you're sleeping, our produce expert is individually selecting the produce for that day. Within a few hours it's on the stands, fresh and crisp for your inspection. Every item personally selected. One quality, the very best, for your approval. Second and third rated merchandise can be bought at almost any price, but to pick and select the top quality we use is the trick. You'll find Foods Co. personally selected quality produce fairly and reasonably priced for our top o' the market quality.
