Landscape Plan
We Plan — You Plant!

Right! We are happy to announce this new idea to Southland home owners. Now it's possible to landscape your home completely and be assured of professional results, at surprisingly low cost to you! . . . HERE'S HOW IT WORKS: A Ladera Landscape designer submits to you a complete plot plan scale drawing of your home, showing the exact number and type of plants needed to give your home that professional landscaped look. Each plot plan is designed to suit the needs and desires of the home owner, the type of soil, sprinkler systems, and architectural style of the home. THERE IS ABSOLUTELY NO CHARGE FOR THIS SERVICE! We then select the appropriate plants and materials from our excellent nursery stock (or you may make your own selection). The complete "landscaping package" will be delivered to your home, ready for planting.
