YES, SIS... My neighbor just had her house carpeted by Baker's—and it looks just lovely... and when she told me how inexpensive it was, my curiosity got the best of me... Let's meet at Baker's for a cup of coffee.

48 Sq. Yards OF TOP QUALITY

Wall-to-Wall CARPETING

Completely Installed

Carpeting from the looms of Mohawk & Bigelow is featured exclusively in this area by Baker's.

REMEMBER:

If you live in the Torrance area, your floor plan should require around 48 square yards of carpeting—not 33 1/3 or 40 square yards that so many stores advertise as being average. Baker's advertises a price that is realistic. That is, a price including fine quality carpeting, labor, 40-oz. padding and 2 door chrome metal stripping for 48 square yards, which is about your required yardage.
