Air Conditioning Systems Built-in for Human Bodies

Did you know you have a built-in air-conditioning system of your own? It's a fact, according to Paul Martin of McCowen Drug Store, 1327 El Prado. "We know it by a less glamorous name—perspiration," he says. As Pharmacist Martin explains it, "perspiration is nature's way of keeping us cool and fresh when we get overheated." "Since perspiration performs a necessary function," Martin goes on, "it may seem strange that I always recommend the use of a good antiperspirant like Fresh Roll-On, Fresh Cream, or Fresh Stick. Well, this is why: "Most of us tend to perspire much more than is necessary under our arms. That's because we have an overabundance there of apocrine glands which secrete a glue-like substance that gives off an unpleasant odor and may leave nasty perspiration rings. An effective deodorant cuts down the flow of perspiration, inhibits odor, and keeps us fresh as a daisy from morning bath to morning bath."

Free Summer Recreation Program at El Camino

Opportunities for adult recreation are currently offered free as El Camino College opens its facilities to residents of neighboring communities. Open from 6 to 10 p.m. Monday through Friday evenings are facilities for playing tennis, basketball, badminton & table tennis. Gymnastics equipment is also available for public use during these hours. Supervision by physical education instructors is offered during these hours as a public service to the community. "No charge or registration is necessary for the use of the campus facilities," Merrill F. Sloan, director of student personnel noted. Recreational swimming, for which a charge of 10c per child and 25c per adult is made, is offered nightly Monday through Friday in two periods. From 6 to 7 p.m. has been designated as a family hour when adults and children under 18 years accompanied by their parents may use the facilities. Registration for the two final instructional sessions in swimming for adults and children will be conducted at 8 a.m. Aug. 2. Information regarding both instructional and recreational swimming and other recreational programs is available in the registration and student personnel offices of the college.
