**BUSINESS AS USUAL**—Dr. Stuart E. Marsee, new president of El Camino College, confers with Jeanne Bader, his secretary, as he takes over top administrative post.

**Society to Send 100 Boys to Camp**  
 St. Vincent de Paul Society will send 100 boys aged 8 to 12 years to the St. Vincent de Paul Ranch Camp July 24, for one week.

The youngsters will go hiking, swimming, cook-outs, games, sports, crafts and other activities in a football retreat in the Santa Susana Mountains. Funds are needed to make this vacation possible for boys from less-privileged homes. Contributions can be sent directly to the St. Vincent de Paul Camp Fund.

**New President in Acquainting Tour of College Staff**

When he made his first appearance on the campus of El Camino College recently as associate superintendent of the college district, Dr. Stuart E. Marsee was greeted by some 100 instructors, 130 classified employees and a summer school enrollment of over 3000 students.

During the past two weeks, the president-elect has become acquainted with campus personnel rapidly. It's a rough proposition, however, for as soon as he becomes acquainted with the present students and employees, a fall enrollment of 11,000 students and an additional 130 instructors and some 45 classified employees will return to the staff following the summer months.

This policy may serve him well in the future on a campus on which this year's 11,000 students may disappear in 1960, when 15,000 new collegians appear on the scene.
