Children's Dog Training Classes to Be Held in Walteria Park Aug. 2

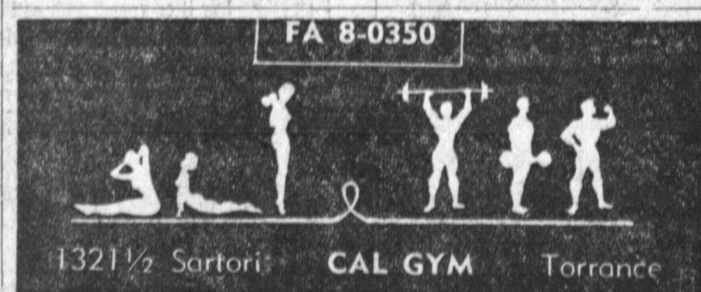

A series of children's dog training classes will begin Aug. 2 at Walteria Park. The sessions are to be held on Saturday mornings from 9:30 a.m. to noon for seven weeks beginning Aug. 2, and ending September 13. Training will be handled by experienced members of the South Bay Dog Obedience Club of Torrance Recreation Department. Roy Smith, noted Southland dog trainer, will supervise the leaders.

To be eligible for these classes these conditions should be met: children between the ages of 8 and 14 years old; dogs should be at least 6 months old and no more than 12 years old; the child must provide proper training equipment (announced at the first meeting); the final eligibility will depend on a combination of the child and the

dog. For example: an 8-year-old child with a Great Dane or a German Shepherd would not be permitted to participate. A child must be capable of handling his pet.

The registration fee is 50 cents per child; all money collected is used to cover the cost of the diplomas and trophies award at the graduation ceremonies on September 13. Parents will be required to register, sign a waiver and attend all classes with their child.

Adult jaywalkers are teaching children a tragic habit, says the Allstate Safety Crusade. In 1957, 1,100 youngsters between the ages of 5 and 14 were killed and 45,000 more were injured in pedestrian traffic accidents.

Alcohol is an anesthetic chemically similar to ether and chloroform, according to the American Medical Association. Even a small amount is enough to slow a driver's reaction time, dull his perception, distort his coordination and impair his judgment.
