

# Freeway Segment Opening

The Harbor freeway will be opened as far as Century boulevard Aug. 1, Supervisor Kenneth Hahn stated today.

After a personal inspection of the freeway link with R. F. Blocker, resident highway engineer, Hahn was informed that the extension of the Harbor freeway southbound from approximately 90th st. to Century blvd., with the actual turn-off at Colden ave. (96th st.), would take place. Northbound traffic on the Harbor freeway will use the on-ramp at Century boulevard and the existing ramps of the Harbor freeway at 90th st. will be blocked off.

It will be necessary to construct two additional lanes on the freeway when the temporary on-ramps and off-ramps at 90th st. are removed.

Supervisor Hahn also was informed by State highway officials in Sacramento that bids for the next major link of the Harbor freeway, from 124th to 190th sts., should be advertised for construction in August.

## BURGLARY REPORTED
