# Why buy a home blindfolded?

The Medallion Home symbol takes the confusion out of buying a home. It protects your investment with 4 guarantees!

2 out of 3 homes built today are electrically obsolete. They're not wired properly. They offer inadequate lighting provisions. They're equipped with few, if any, built-in electric appliances. You can never be assured of getting full resale value out of one of them.

Protect yourself-eliminate risk and guesswork. Look for the Medallion symbol on the home you buy. Every Medallion Home is guaranteed these 4 ways r' ko extra cost to you.

1. Major electric appliances already built in. An electric range, plus at least 3 other most-wanted appliances. They're part of the original house plan-not out-of-pocket extra expenditures.

2. Provisions for proper lighting. Eye-saving lighting that is both decorative and functional-located in areas where you need it.

3. Ample wiring for present-and futureneeds. It's in and paid for-it will accommodate today's appliances and those you'll want tomorrow. 4. Insured resale value. Because the future

is all electric, a Medallion Home will remain modern - your most important in-

vestment is protected. A Medallion Home is your best-and
