

Torrance Moose Lodge Honored at Conference

Torrance Moose Lodge No. 785 was awarded a special certificate of merit in the Moose International Community Service Awards competition here today.

Announcement of the award for outstanding civic affairs work during the past year by the Torrance lodge was made at the 70th annual International Moose convention now being held in Chicago.

Joseph Platt, civic affairs chairman of the Torrance lodge, was also awarded a framed scroll for heading an outstanding project award winning program of community service in Torrance.

Official presentation of the award will be made at ceremonies to be held in the local lodge in the near future, according to Carl A. Weis, director of civic affairs for the Moose fraternity.

Civil Defense Workshop Meet to Hear Chief

Leo A. Hoegh, director of the nation's newly created office of Defense and Civilian Mobilization will be the principal speaker at the California Disaster Office "Region 1 Workshop Meeting" in Los Angeles on September 16.

According to Henry S. Eaton, Coordinator, Region 1, CDO, and General Chairman for the meeting, the all-day conclave will be held at the 48th District Agricultural Headquarters located at 2120 South Eastern avenue, corner of Atlantic boulevard and the Santa Ana Freeway in Los Angeles.

Joint hosts for the event, Eaton revealed, will be the City and County of Los Angeles with Norris Poulson, President John Gibson and the Los Angeles City Council, Chairman Burton W. Chace and other members of the Los Angeles County Board of Supervisors, to be present to extend official greetings to the estimated 1500 civil defense, Red Cross, PTA, schools, industrial, civic and governmental leaders representing 180 communities from 12 Southland counties who are expected to attend.

Swedish Auto Sets Endurance Mark in Drive

Two young men recently set an endurance record in a Swedish-bull Volvo, when they drove around the North American continent in 8 1/2 days, Earl Gallagher, owner of Manhattan Motors, 2301 Sepulveda Blvd., Manhattan Beach, announced.

The dealer said that Norman Babcock and Frank Cheek touched all 48 States, Canada and Mexico during their trip.

The youths drove 9261 miles, averaging slightly better than 47 m.p.h. and obtained fuel mileage of better than 27 miles per gallon, Gallagher said.

The trip took them into every conceivable climatic condition, rain, high altitudes, and temperatures of nearly 110 degrees.

The drivers chose the Volvo because of its competition record which included taking the first five places at the 10-hour endurance race at Lime Rock, Conn., winning Mobilgas European Economy contests in its class, as well as victories in more than 100 road races and rallies, Gallagher said.

Chest X-Rays To Be Taken

The mobile chest x-ray unit of the County Health Department will be in this area four weeks beginning Sept. 2, according to plans announced by Dr. B. A. Kogan, Torrance District Health Officer.

The schedule for the first week is as follows: Tuesday, Wednesday, Thursday, and Friday, Sept. 2 to 5 inclusive, at the Veterans of Foreign Wars, 1822 Market St., Gardena. Monday and Thursday the Unit will be open for service from 1. to 7 p.m., and Tuesdays Wednesdays and Fridays, from 9:30 a.m. to 3:30 p.m.

Be extra alert in nighttime driving, advises the Automobile Club of Southern California.

your underarm portfolio
