

MEETS SPACE MAN—Annette McElyea, 4, of 22109 Ellinwood St., seems quite happy in the company of "Hurricane Sam," a space man dummy on exhibit during Torrance Airport Day celebration Saturday.

FIRM GETS CONTRACT

Announcement of government contracts totaling more than \$4,500,000 for military guidance and control systems and components was made today by American-Standard. William A. Jones, vice president of the company's Detroit Controls Division, said the contracts for new military applications will proceed gradually from final engineering into production, which should extend over a period of several years.

West Covina Man Wins Air Race

William R. Decker of West Covina won the Trophy Dash Air Race which highlighted Torrance's First Annual Airport Day Saturday.

Decker averaged 127 1/2 miles an hour in a Cessna 172. Other winners include Harold Corbett of Hermosa Beach, second, at 161 3/4 miles per hour in a Cessna 180.

Over 5000 people visited the Municipally owned airport, sponsored by the Aviation Committee of the Torrance Chamber of Commerce in cooperation with the Torrance Airport Commission.

The event featured band concerts by units from March Air Force Base, Fort MacArthur and the Torrance Area Youth Band. Ryan Aeronautical and the Nike Base held open houses and many aviation firms exhibited displays and private and military aircraft.

John Egan and Jim Thomas were co-chairmen of the event.

PTA Council Ratifies Chairmen

Beginning her second term of office as president of the Gardena-Wilmington Council PTA, Mrs. C. N. Peterson presided at the recent potluck luncheon held in Torrance Park.
