Torrance Firm Named Dealer for New Paint Type

Holly Park National of Torrance, has recently been named a regional dealer of Jet-Dri paint, the new all-purpose enamel that dries in fifteen minutes. Holly Park National is scheduled to take part in the forthcoming Jet-Dri advertising and promotional program to be conducted in this area. The program, which includes advertisements in this newspaper, is designed to introduce the new product to Torrance residents and professional painters.

Initially developed for use in industry, Jet-Dri, now available for general consumer use, is the fastest drying enamel to reach the market. Instead of the usual 6-24-hour drying time required by most enamels, new Jet-Dri dries completely in 15 minutes. A chair painted with the product will be "sit-on dry" in 15-

minutes. Floors painted with Jet-Dri can be walked on in the same time.

Developed by the Consolidated Chemical and Paint Mfg. Co., Inc., New York, N.Y., the new product may be applied to any exterior or interior surface where a highly protective attractive lustre finish is desired. Entirely non-toxic, Jet-Dri may be used to paint children's cribs, toys and furniture.

Flies to Join Husband Employed In France

Mrs. Bernard R. Collins left for Europe September 12 by Scandinavian Airlines Polar route, to join her husband, a technical representative for North American Aviation Inc. in France. He expects to be assigned there for an indefinite period.

The Collins only recently returned from Warren Robins Air Force Base in Georgia, where he had an assignment. They previously lived at 920 Fonthill ave.

Sidewalk Cafe

Sounds of Paris were almost audible the afternoon of September 17, as the Evelyn Carr school cafeteria breezeaway was transformed into a "sidewalk cafe" on the occasion of the annual get-acquainted tea given by the PTA executive board for more than 150 parents and teachers.

Parisian Mood
 Dripping candles, carts of fresh flowers, French travel posters, checkered table cloths, clusters of purple grapes, all contributed to the Parisian mood. Assorted cookies and coffee were served.

Assisting Mrs. Robert Heyns, chairman, were Mmes. Roland Stamm, Daniel Kinda, Stephen Boyco, and J. R. Allison.

Hostesses were Mmes. Carl Johnson, W. R. Towell, James Culver, Jack Lattin, and Albert Pesola.
