## FEAST YOUR EYES ON THE NEW 1959 DODGE

But don't stop there. Come and see the real thing—the graceful lines of that broad, massive hood and long, low sweeping silhouette—the fresh colors now available in new Lustre-Bond baked enamel—the richly tailored interiors. Here's beauty teamed with outstanding roominess, comfort, handling ease and safety—with matchless performance and economy!

The 1959 Dodge offers you the NEWEST of everything great! It's the first all-push-button car to make its bow, offering exclusive features like new Swing-Out Swivel Seats; new Level-Flite Torsion-Aire suspension for complete ride; road and load control; new Hi-Compression; Hi-Economy engines; new Remote-Control Mirror; electronically controlled headlamp dimmer and rear-view mirror that also banishes glare electrically. You must see this great new Dodge and actually drive it.
