

Witnesses Plan Convention

"Expanding Our Ministry" is the theme for the semi-annual Circuit Convention of Jehovah's Witnesses to be held this month in Long Beach Municipal Auditorium. Garold Dunham, presiding minister of the Torrance congregation in discussing the announcement pointed to Jehovah's Witnesses' organization, designed to cultivate and train in works of Christian preaching.

States Object
"The object of the program," Dunham said, "is to equip each of the preaching fellowship of Jehovah's Witnesses in the practical use of the Bible as a help in fortifying the spiritual morale of people in our community."

The recent international convention of Jehovah's Witnesses in New York attracted attention to the Watchtower Society. Questions on the origin, nature and purpose of the society will be answered Sunday afternoon, Oct. 19, as a climax to the three day training program as Bruce E. Griffin, district supervisor, delivers his public lecture on "The Watchtower Society in God's Purpose."

DEALERS AT CONFERENCE—Prominent Torrance Plymouth dealer Fred Miller (right) of Herman Miller Inc. has just completed a five-day business management conference with factory executives—the first such conference for single-line Plymouth dealers in the nation. Shown discussing details with Miller at the Southern California-Nevada regional gathering in the Disneyland Hotel is Bob Fischer, Plymouth Western area manager.
