COKE DATE—Eddie Shaw's schedule is so busy between college, acting, television appearances, that he and gal friend Linda Williams can squeeze in only an occasional brief date over a coke.

ARCTIC MOVIE
"Life in the Arctic," a documentary film produced in northern Russia, will be shown tomorrow under auspices of the Torrance Recreation Dept. and Torrance Art Group.

New Actor Leads Life at Fast Pace

Eddie Shaw is a young man in such a hurry that his romantic life is squeezed into an occasional coke date between college, acting and working part time as a drugstore clerk.

"Ever since I can remember, I wanted to be an actor," said the blonde bundle of energy, as he plopped himself into a chair to explain about his busy life.

From the time his day begins at 6:30 a.m. until he finally hits the sheets sometime past midnight, Eddie, 20, of 5214 Zakon Rd., is on the run.

Not only does he carry 16½ units at El Camino College, but five nights a week is a semi-professional actor in "No Time for Sergeants" in a Hollywood Music Box stage production.

Clerks in Store
In addition, since his acting work pays little or nothing, "just a percentage of the house divided among 23 people," he works all day Saturday and Sunday, as well as Monday and Tuesday nights in a drugstore, where he earns \$40 for his labors.

Eddie is quite serious about his college work. No snap

courses. His program includes such subjects as geography, biology and English.

"I'm going to major in the theater arts and get a teaching credential to fall back on," he said.

Gets Major Role
But he hopes that won't be necessary.

He received his first major role at El Camino in the forthcoming production of "The Matchmaker," and will appear on the Groucho Marx Show within the next two weeks.

He has already appeared on "Playhouse 90," the Jack Benny Show and "Bachelor Father."

At Torrance High School, from which he was graduated last year, he won the best actor's trophy and numerous other theatrical honors, and his career has since been helped by Rosemary De Camp.

Eddie weighs a consistent 134 pounds and has no fear of becoming overweight.

"Who's got time to eat?" he chuckled.

Fast Date
After college, Eddie usually has a quick date with his girl friend, Linda Williams, a Torrance High School student, before he dashes off to one of his other activities.

"She's a yell leader at school, and she doesn't have much time either," he commented.

And if he has any spare time, well there's always plenty of home work to be done.

"I got one break though this past week," says Eddie. "The other day I let my understudy in the play go on for me while I went to the movies."

Firemen's Local Elects Officers

Richard De Armitt has been elected president of Local 1138 of the International Fire Fighters Association, succeeding Jerry Hollomon.

He and other new officers, to be installed later this month, will serve two-year terms under a change adopted by the Torrance union.

Other officers are Charles Reintsma, first vice president; Donald Lamb, second vice president; Bill Stonecker, secretary-treasurer; Glenn Price, trustee.

Hollomon will continue to serve on the executive committee, as will the other two trustees, James Wass and Silas Whitman.

AT LUNAR TEST

A key role in the recent U.S. Air Force lunar probe project was played by Nelson S. Pixley, Jr., of 4829 Macafee Rd., a member of the technical staff at the Atlantic Missile Range who is affiliated with Space Technology Laboratories, Division of the Ramo-Woolridge Corporation.

THIEF STEALS WALLET

LOST WEEKEND

A burglar helped himself to a long drink of whiskey after he broke into the home of Robert A. Van Strier, 3214 Cricklewood Ave., over the weekend, police reported.
