

ARE FOOD PRICES HIGHER

IN STORES THAT GIVE

TRADING STAMPS?

HERE'S DRAMATIC PROOF

• We sent out our comparison shopper to find out, and the results were so startling we thought you should know. On item after item, on every shelf, down every aisle, it was amazing. Prices by the hundreds. They nibble at you on practically every item you buy. $\frac{1}{2}$ c per item higher, 1c, 2c, 3c. We believe smart shoppers prefer saving cash, and that's what you save at Foods Co.

HERE ARE THE FACTS:

SPACE DOES NOT PERMIT US TO LIST HUNDREDS MORE THAT EXCEED IN VALUE TO THE CUSTOMER
