FOOD GIANT'S Famous "Banquet Perfect" Fresh Dressed 2 to 3-lb. Average  
**Chicken 29**

Italian Style

\*\*\* CHICKEN

Cut these spotlessly clean birds into serving size pieces. Rinse with cold water and wipe dry. Brown in oil in a skillet. Sprinkle with salt and pepper while cooking. When browned add one clove of diced garlic, one large minced onion, one cup chopped celery and cook until onion is soft. Add 1/2 cup of canned or fresh tomatoes, one 8-oz. can of tomato sauce, and 1/2 cup of Burgundy or Chianti wine. Cover and simmer for 40 minutes. Sprinkle with parsley. Cook 5 minutes more. Serve with sauce spooned over chicken. Makes 3 to 4 servings. Especially good served with spaghetti or rice and French or Italian bread.

Along with Food Giant's low price, you get the balance of quality that comes with the name "Banquet Perfect." It's this assurance of freshness and flavor of "banquet" tender meat that makes this such a remarkable value. It's a fact. You save up to 25% on your meat at Food Giant.
