At Shoppers our primary object is to select for you ONLY the very best steers of those graded U.S.D.A. "Choice." Not only do we consider the age, type and feeding that the rancher controls in raising steers, the strict requirements demanded by the U.S. Dept. of Agriculture, but we also require the most desirable weights, proper amounts and distribution of fat and the right texture of the meat. THESE ARE THE FACTORS WHICH CONTROL THE TENDERNESS AND FLAVOR OF THE BEEF YOU BUY! When you select beef for your dinner table, always choose Shoppers.
