PORK LOINS

FRESH NOT FROZEN

49¢ lb

PRUNE-STUFFED PORK LOIN

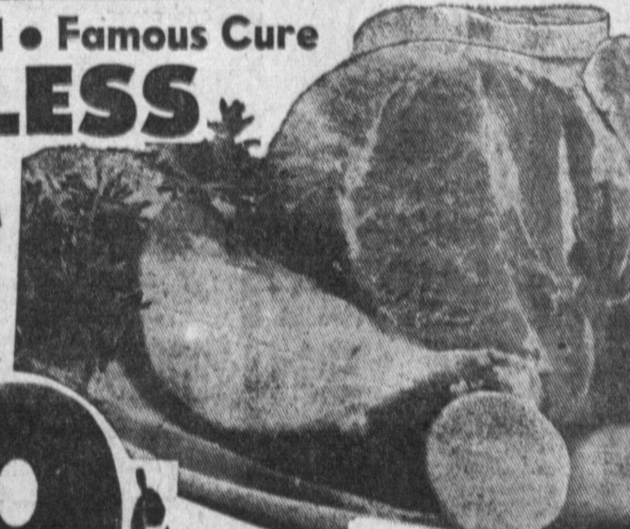

Make a deep cut through the center to a 4-pound loin, lengthwise. Insert 15 dried prunes which have been pitted, and soaked in sherry overnight. Press roast together and tie securely in several places. Stand on china bone and roast at 325 degrees for 25 min. to pound. After one hour, add 8 med. size peeled potatoes which have been boiled for 10 min. in salt water. Turn once or twice. 'Til brown and done. Salt and pepper roast; and potatoes. Serve with additional sherry prunes. Horseradish goes well, too.

These fine loins are not limited to end cuts. And you can be sure of Food Giant's extra-value trim to save you extra money. For unsurpassed flavor, and a meat that is high in protein, this can't be beat . . .
