

Pool becomes Grid Stadium

Although the swimming season's long-gone, Benstead Plunge is still seeing service. A score of boys are using the greensward beside the plunge building to practice touch football.

The autumn program at the pool was developed by the City Recreation Dept. because of the popularity of the department's touch football program for lads from 7 to 18 years of age.

The week-day practice sessions on the plunge lawn are supervised from 4:30 until 5:30 p.m. by A. E. Pell of the department staff.

Halloween Party To be Held at Normandale Park

Friday evening will be the final night of the Halloween program when a band concert, carnival, and bonfire will be held at Normandale Playground, 22400 So. Halldale, it was reported by Y. F. Hammatt, recreation director of this L.A. City municipal recreation center.

Peter R. O'Brien, finance chairman of the event has contacted the many business and manufacturing firms to assist in financing the program for 2000 young people.

Narbonne High School Band will play for us from 8 to 9 p.m. Hundreds of young children garbed as witches, ghosts, goblins and other eerie sprites will line up for the judges of the costume parade. Judges will select the funniest, prettiest, scariest and the most original costumes.

Gaily decorated carnival booths will feature tests of skill, brawny older boys will attempt to climb the greased pole, and a huge bonfire will be other attractions.
