THE NEW AUSTIN HEALEY

... for the
**MAN IN
COMMAND**

Watch the Austin Healey man as he swings up into his saddle—breaks his high-strung stallion into a dead run.

There they go, twisting and turning through the trees. Hurling that ruffed ravine.

It shows in his face. The thrust of his body.

THIS MAN GETS HIS KICKS FROM ACTION!

That's why he drives the new Austin Healey. It moves with his mood.

When he wants to go, he tramps on the loud pedal and the new best-of-up 121 hp engine slams you east 60 in 10 seconds. Up to 115-plus!

To handle this brute of a power-plant, the new brakes are even bigger and surer than the marvels on the '58 model.

And this new Healey has a "sing" to the exhaust that's as sweet as First Place at Riverside!

The interiors are appointed to a king's taste with matchless British craftsmanship. Even the new top has the master's touch.

Isn't it high time you took command in the new Austin Healey?

What better time than now?
