Madrona PTA Holds Meeting

Madrona PTA held its board meeting this month at the home of Mrs. V. G. Bliss. Co-hostesses were Mrs. A. R. Felando and Mrs. Fred Murphy. Mrs. Raph Kemmer was elected to the office of recording secretary recently vacated by Mrs. Carl Huff's resignation. The board decided to appropriate money for Thanksgiving baskets for four Madrona area families. An invitation was received from Meadow Park School to attend their Nov. 19 meeting and hear their guest speaker.

Civil Defense Is Subject of Talk at Parkway PTA

The regular monthly meeting of the Parkway PTA took place last Thursday evening. Guest speaker, George Powell, assist. civil defense director of Torrance, gave a talk on the sensible course of action to take in the event of a local disaster or emergency. Members of the board presented Mrs. R. K. Ohlman with a beautiful orchid corsage, in appreciation of her excellent work as membership chairman. Parkway School boasts the highest PTA membership percentage of Torrance Unified Schools.

Mrs. Willett to Serve in TEAC Moderator Post

Mrs. Otto Willett, a former teacher who has been active in PTA work for a number of years, was named moderator of the Torrance Educational Advisory Committee at its meeting Tuesday noon. She succeeds Dr. Joseph P. Bay.

The wife of South Bay Municipal Judge Otto Willett, she has served as vice moderator during the past year. She is active in the South High PTA, and has two sons, Steve, 16, and Bill, 14. The Rev. Milton Sippel, pastor of the First Christian Church, was elected vice moderator. He represents the Park and Recreation Commission.

Mrs. Kathleen Canby, YWCA representative, will be secretary, while Mrs. Esther Walker, First Christian Church, was chosen treasurer.

Tiny Halfback Shows Big Fellows Tackles, Runs with the Biggest

"Big things come in small packages," is an old bromide which fits an El Camino halfback to a split T. ECC's version of the Biblical David, Gary Kimbrell, is a speedy 5-4, 143-pound scabback who looks like a sports car and hits like a diesel.

Tipping the scales at a weight which most high school mentors would relegate to the B class, the Warriors' diminutive ram-bler draws screams from the crowds like, "He won't last long against the big fellas," or "Wait until he's at the bottom of the pile."

However, the gutty fellow has no intentions of succumbing to pressure placed on him because of his size. Against Modesto in a pre-conference clash, the tiny halfback applied crushing tackles to the mammoth Pirate fullback, Bob Jenkins.

Kimbrell's tackles brought out the point he has been convincing himself of all season. "At first those big fellows really looked monstrous, but after a while you just get accustomed to them," the speedy scooter philosophizes.

Hawthorne High contributed Kimbrell to the Warrior cause this season after he had helped propel the Cougars to a Pioneer Loop championship and a berth in the CIF play-offs.

League officials voted Gallop-ing Gary a berth on the Pioneer All-Star squad for his brilliant offensive displays.

Kimbrell was Hawthorne's leading ground gainer in his senior year of play, pacing the Cougars a win over Morningside High that netted Hawthorne the circuit title.

Mrs. H. S. Williams told of a coming talent show Feb. 26-27. It will be held in the retail clerks union hall in Harbor City. Proceeds will go toward music scholarships.

A change in the date of the Gardena PTA health center opening was announced. The center will open Nov. 25 from 2 to 4 p.m., 1202 Magnolia Ave.
