We guarantee these are the best Toms you can buy. 16 TO 23 LBS.

Prune-Stuffed PORK LOIN

Make a deep cut through the center of a 4-pound loin, lengthwise. Insert 15 dried prunes, which have been pitted and soaked in sherry overnight. Press roast together and tie securely in several places. Stand on chine bone and roast at 325 degrees for 25 min. to pound. After one hour, add 8 med. size peeled potatoes which have been boiled for 10 min. in salt water. Turn once or twice 'til brown and done. Salt and pepper roast and potatoes. Serve with additional sherry prunes. Horseradish goes well, too.
