Dwight Eubank Rambler INCORPORATED

Hello Neighbor:

What do you want from a new car dealer? I believe you expect him to be HONEST in all his dealings, TRUTHFUL in all his statements, FRIENDLY and COURTEOUS in his actions and able to stand back of the product he sells.

I believe we at Dwight Eubank Rambler qualify in each of these points. Every one of our staff came with us from other dealerships because they believed in our ideals of fair play. We all wanted to prove that there was room in the automobile business for an honest and sincere dealership.

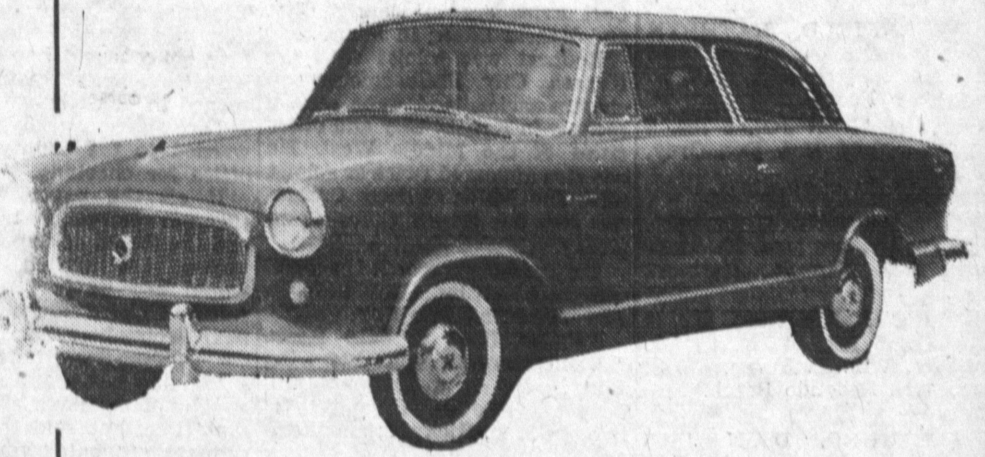

If you will notice, our advertising does not offer ridiculous prices nor does it misrepresent our product. We are trying to bring back some dignity into this fine business. We close on Sunday, so that our employees may go to church if they wish and be with their families for a full day.

In other words, we want to offer you a place to purchase your car with CONFIDENCE, a place to have your car serviced EFFICIENTLY and ECONOMICALLY, a place to visit with TRUST, knowing that when you pay for something you will get full value received.

This is our first venture into business for ourselves. We have set up some high ideals. We know that it is the SLOW way to success but we also know it is the SURE way. You are invited to check any of our sales and service customers we have accumulated since we've opened the past few months. Ask them about what you have just read above.

Better yet, come in and see for yourself.

Yours Very Truly,
DWIGHT EUBANK RAMBLER, INC.
D. E. Eubank, President

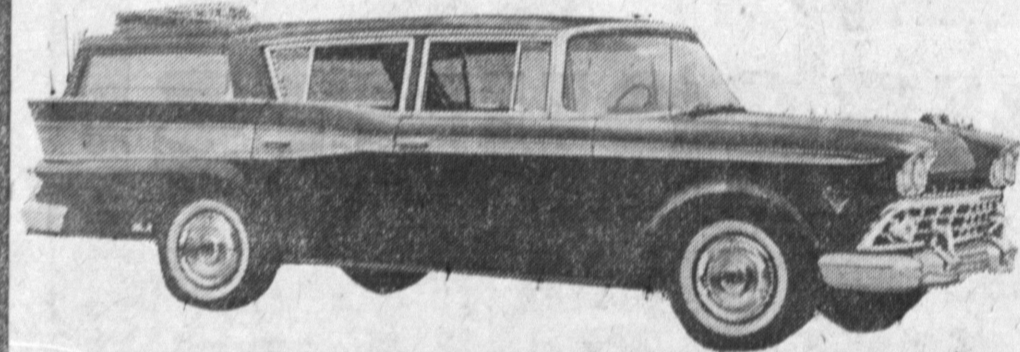

Have you been dismayed as word of the new 1959 cars shows that most will be even longer, wider, heavier and thirstier for gas than ever?

Here's good news from Rambler, the top car in sales gains. The new 1959 Ramblers on display today, while brand-new in styling, brand-new in exclusive differences, are still trim and compact. And gasoline mileage of America's thirteenth Six is even better for '59, thanks to new advances in carburetion!

You'll see smart new interiors with plenty of room for six big 6-footers. And a great step ahead in luxury — Personalized Comfort. Sectional sofa front seats for driver and passenger let each of you choose the most comfortable legroom. Airliner Reclining Seats offer new adjustable headrests. Choose the climate you want with All-Season Air Conditioning. Float over bumps with new Air-Coil Ride. Enjoy every pushbutton convenience. Get the best of both: big car room, small car economy, in the compact new 1959 Ramblers. See and drive them today.
