Here's How to Roast LEG OF LAMB

Combine 1 tsp. rosemary, 2 tbs. salad oil, 1/2 tsp. of dried sweet basil, 1 tbs. paprika. Rub the leg thoroughly with this seasoned oil. Then chill the roast thoroughly in the refrigerator for from 2 to 4 hours before roasting. Place the leg of lamb fat side up in the roasting pan. Roast for 2 1/2 hours in a slow oven (325 deg. F.). Then spread 1/2 glass mint jelly over the surface. Continue roasting for another hour. Spread remaining jelly over roast. Serve medium or well done.

Sweet Glaze

A sweet glaze covering for your picnic is a crowning touch. It should not only look delicious, but taste scrumptious. Try this one: Mix three-fourths cup of crushed pineapple and 1/2 cup sifted brown sugar. Spread this evenly over the diamond scored surface of the picnic just before it is finished roasting. Then finish baking in hot oven until surface forms a brown glaze. Spoon up to cover any spots which have now browned evenly.
