BURCHFIELD CARPET WORKS

Fall is the time when we make plans for cleaning and repairing in preparation for the busy winter season. Burchfield Carpet Works, 1971 Torrance Blvd., not only has excellent facilities for cleaning rugs and upholstery in their well-equipped shop, but they also have the equipment and trained personnel to completely clean your wall-to-wall carpeting and upholstered pieces right in your own home. In addition, Burchfield's does carpet laying, cutting, sewing, and binding. There is a thoroughly trained staff of six and a fleet of four trucks ready to help you. Pick-up and delivery are free of charge. Of special interest to thrifty home-makers, however, is Burchfield's 25% discount on cash and carry rugs. Burchfield Carpet Works has been serving Torrance residents for 15 years. Established in 1943 by J. K. Burchfield, the firm is now under the management of his son, Tom Burchfield. Estimates on work to be done are free. Call Burchfield's at FA 8-2672 today.

JAHN CONSTRUCTION COMPANY

In the space of a few short years, Robert B. Jahn has expanded his general contracting business, Jahn Construction Company, until he now has half million dollars in contracts in the Bay Area. Such success is not without warrant. The office building illustrated above, located at 2271 Torrance Blvd., is an example of his fine work. The Jahn Construction Company will build anything you need, whether it be a residential, commercial, or industrial building, and can arrange 100% financing on your lot. Their motto is, "You specify—we satisfy." Tony Gualano, general manager, will be glad to furnish addresses of examples of their work. In addition to his construction company, Jahn heads two other organizations, Jahn Investment Company, of which John Gahan is the manager, and Manville Associates, of which O. Ferrante is the manager. The Jahn Construction Company has just moved into its new, modern offices at 24206 Crenshaw Blvd., Torrance. For more information, or an appointment, just call DA 6-2600, and a salesman will be available.

LOMITA BLUEPRINT

Drafting and engineering supplies of superior quality for architects, engineers, and drafting students are available at only one shop in this area. That is Lomita Blueprint, 2373 Pacific Coast Highway, Lomita. Lomita Blueprint is now carrying the very fine Frederick Post drafting and engineering supplies, and several other excellent brands. Any need which might arise can be filled at Lomita Blueprint because Chester A. Bean, Sr., owner, has stocked the full lines, and has four suppliers. The main service offered by Lomita Blueprint is, of course, their blueprint work. Their blueprint machine, shown being operated by Bean, operates at the rate of 40 feet a minute, and is one of the latest models. Photocopy work is completed promptly. Bean has had Lomita Blueprint for the past four years. He is a member of the Harbor City-Lomita Lions Club and is serving as Lion Tamer for the club this year. Lomita Blueprint is open from 8:30 a. m. to 5 p. m. Monday through Friday, and from 8:30 a. m. to noon on Saturday, or you may call DA 6-7496.
