**THANK YOU!**

To all our customers go our warmest thanks for the business you gave us during 1958. We made a host of new friends and renewed many old acquaintances during the year. We're going to keep right on giving that extra value... that extra ounce of courteous friendly, competent service to every customer, new or old! Best way we know of to say "Thank You" is to keep right on with the friend-making policy that built this business in the first place, and we wish you all—
