SOUTH BAY MAILING SERVICE

Addressing, folding, inserting, sealing envelopes, and adding stamps is a time consuming expensive task for retail outlets, clubs, and other organizations which are not equipped for the job of preparing mailing pieces. Two young men, Nate Starbuck and Harold Bowman, have undertaken to solve this problem inexpensively and efficiently. Their company, South Bay Mailing Service, 1733 Border Ave., Torrance, offers a complete mailing service, from the maintenance of mailing lists to delivery to the post office. For instance, they maintain a mailing list for the dentists of California, and they maintain mailing lists for several of the large industrial plants in the area. A staff of five and the Speedamat addressing machine, insure accurate and speedy completion of whatever mailing problem is presented. Their office is open from 8 to 5 on weekdays, and from 8 to noon on Saturdays. A visit to their office or a call to FA 8-1924 will solve your next mailing problem.
