Dr. Barnum to Begin January Lecture Series

Dr. Earl Barnum, minister of the Redondo-Torrance Church of Religious Science, announces his subject for Sunday, Jan. 4, at the 11 a.m. service, to be "Religious Science, What It Is, To You."

This is the first in a series of Sunday lectures presented every year in January by Dr. Barnum. The two-fold purpose of the New Year lectures is, to introduce the basic concepts of Religious Science to the newcomer and offer a review and renewal of thought practice.

Ever Sunday, there is a nursery for tiny tots. The Children's Church begins at 10:53 a.m.

A period of silent healing meditation with quiet organ music by Jean Rhodes begins at 10:30 a.m.

The public is invited to all the services.

RETAIL GROCERY CLERKS IN THIS AREA NOT ON STRIKE

Here is the official notice to employers by telegram from Local 905 to all food employers:

For the sake of saving time, convenience and the interest of economy, the several Southern California Retail Clerks Union Locals have been attempting to negotiate jointly with the representatives of your industry. However, you must fully understand that, in these negotiations, the representatives of Local 905 have been negotiating solely on behalf of the membership of this Union Local. In the past weeks, there have been reports of threats made that on January 1, 1959, that in the event of economic action by any other Retail Clerks Union Local, the industry intends to shut down all food markets in the jurisdictional area of Local 905, and to lock out the members of this Local Union in retaliation against such economic action by one or more other locals.

Local 905 desires to make absolutely clear that the decision to take economic action is a decision which can only be made by the separate memberships of each local union involved in these negotiations and is the responsibility of each such Local Union.

We wish to advise each market operator that it is the intention of the members of Local 905 to continue negotiations with the industry upon the terms of a new contract and, pending the ultimate outcome of such negotiations to continue their regular employment without strike or other economic action, provided that the industry bargains in good faith and provided that reasonable progress is made.

Under these circumstances, any attempt on the part of the industry to shut down operations and to lock out the members of this Local Union within its jurisdictional area will, we believe, be an unlawful breach of the industry's duty to bargain in good faith, as well as a violation of the National Labor Relations Act (Taft-Hartley), and will be an unwarranted and unjustifiable economic blow to the community in which we live.

Very Truly yours,
RETAIL CLERKS UNION, LOCAL 905
BEN N. SCOTT
Secretary.

If any Food Stores are closed in this area it is a LOCKOUT, an EMPLOYER STRIKE against the Public to create a FOOD FAMINE.
—Retail Clerks Union Local 905.

Again, we repeat—Local 950 members are ready and willing to report for work anytime the Food Employers are ready to open their doors...

NOTICE TO FOOD BUYERS!

These grocery stores are OPEN NOW to serve you.
