

Evening Adult School Term Opens for Registration

Spring semester classes for adults 18 years of age or older will start the week of Feb. 2, announced Victor Kilburn, principal of the Torrance Evening High School. Enrollment will take place with the teachers in the classrooms at the time and day classes are scheduled. A 50 cent fee is payable upon registering by students not previously enrolled.

Day and evening classes for adults offered by Torrance Unified School District include academic requirements for a high school diploma, business training, home economics, arts, crafts, shop classes and classes in English for foreign born.

The Torrance Board of Education has authorized the use of the General Educational Development tests (GED) for veterans and non-veterans as partial requirement

for earning a high school diploma.

During the fall semester more than 2700 adults attended one or more classes. More than 400 adults are enrolled in classes leading toward a high school diploma.

Students wishing high school credit, who have not previously completed registration forms, should contact the Adult Education Office, located at Torrance High School, prior to enrolling in classes. This office will be open afternoons and evenings, Monday through Thursday, and from 9 a.m. to 4:30 p.m. on Fridays. Students who do not desire high school credit, or who have been registered previously need not register in advance, but should report to classes for enrollment.

For further information about classes, registration, or the GED

'Second Cup' Coffee Featured at PTA Meeting

A "second cup" of coffee was combined Jan. 14 with the monthly get-together of the Parkway PTA in the Cafeteria, 220 Via Riviera, Hollywood RT 220 Via Riviera, Hollywood Riviera.

Charles Mahan, Torrance School Psychologist, was guest speaker on the subject of intelligence and achievement tests.

The next PTA meeting will take place on Feb. 11 at 9:30 a.m. Topic for conversation will be "Classroom Organization."

tests, telephone the Adult Education Office, FA 8-8080, Ext. 295 afternoons or FA 8-9206 evenings, at Torrance High School, 2200 W. Carson St.

Schedules of classes are available upon request.

Car Smog Devices Not Engineered, Supervisor Told

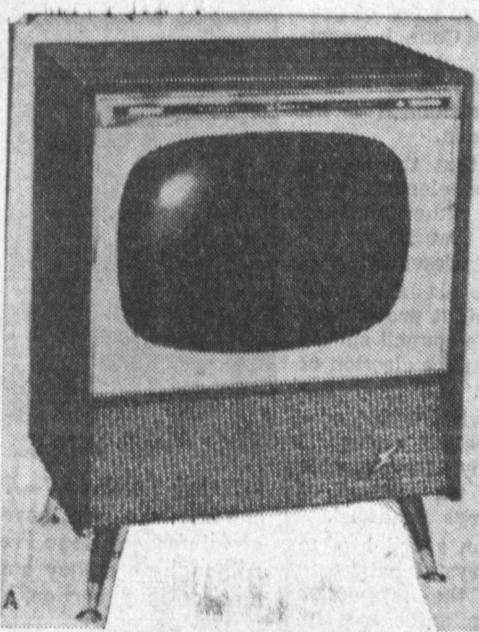

After five years of research, General Motors Corporation has now "reached a point where engineering development" of a smog control device for automobiles is feasible, according to General Motors president, John F. Gordon.

In a letter to Supervisor Kenneth Hahn, who had written the presidents of the automobile manufacturers urging speedy development of a smog control device, Gordon said that on the strength of tests made by General Motors on an experimental exhaust device developed by Dr. Eugene J. Houdry "we have decided to move ahead at once to engineering development."

He said that General Motors is investigating other devices, including a direct-flame afterburner which it now has under construction.

A Typical Housewife Says: I Trade At NADER'S Because,

1. We are parents of 5 children. My husband and I must stretch the dollar.
2. No firm can meet, beat, or touch Nader's prices.
3. Nader's is not on a main street which means "Low Overhead" and "Greater Savings."
4. Service is the best, every item is guaranteed.
5. Credit so easy to get.
6. No high pressure selling.
7. Years of Chain Store experience incorporated in "The Most Fascinating Store in the World."
8. Chuck Nader is my husband and he insisted that I say these things.

Sincerely, PEGGY NADER
