

ILLUSTRATED BUSINESS INDEX

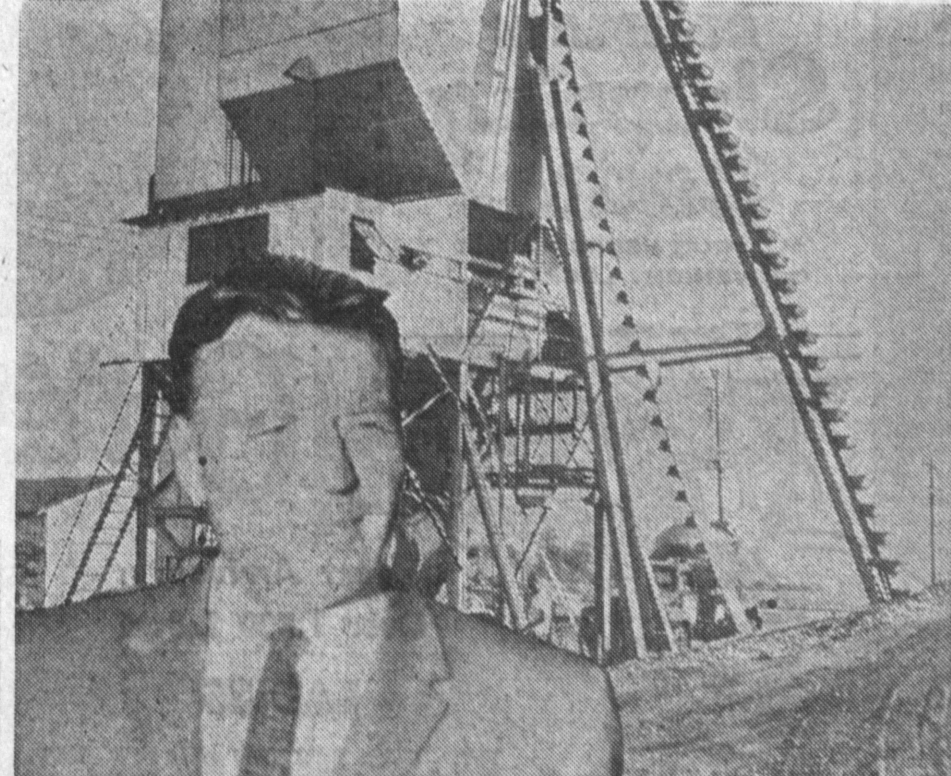

ATLAS PREFABRICATED FENCE CO.

It is always a pleasure to find a company which believes in standing on the fine quality of its materials and service. Atlas Prefabricated Fence Co., 1602 Eudora Ave., Wilmington, is of this caliber. R. H. Wiese, owner of Atlas Prefabricated Fence Co., has built his company on the merit of the materials, he uses and the service he offers. There is no high-pressure selling by anyone connected with his organization. Atlas Prefabricated Fence Co. installs fences for home owners, businesses, and industrial plants. They use only the finest redwood, precision block, and chain link materials. Their chain link is especially desirable in many instances because it does not rust, and needs no painting or upkeep. Estimates are given free of charge, and Mr. Wiese will be glad to show examples of his work, residential or commercial, to any prospective customer. FHA terms can be arranged. Call Atlas Prefabricated Fence Co. for more information, TE 4-4493, or in the evenings call TE 5-4675.

CAMINO CAR WASH

A clean, shining car is a joy to behold and a source of pride and joy to its owner. Camino Car Wash, Crenshaw at 164th St. (just south of El Camino College), will keep any car bright and shiny as a new penny. They have all of the most modern equipment, and feature a double-wash system. Each car is washed twice by huge brushes, and twice by hand. Soft water and a special detergent with a wax base are used to preserve the finish and, at the same time, do a good job. Grills and whitewall tires are washed by hand. Alfred Weir, manager, has had many years experience in this business. His large, well-trained staff gives each car their individual attention. For the comfort of his customers, Al Adelmann, owner, has provided a large shaded patio for waiting. Camino Car Wash is easily reached on Crenshaw Blvd. and 164th St. They are open seven days a week for everyone's convenience. Drive in soon and find out just how beautiful your car can look.

GREENE'S READY MIXED CONCRETE CO.

By now it's an old cliché, but nonetheless true. Torrance is growing by leaps and bounds. Our building rate has for many months, even years, been phenomenal, comparable to some of the largest cities in Southern California. One of the companies which has contributed to the building boom, and in turn grown with Torrance, is Greene's Ready Mixed Concrete Co., 20427 Hawthorne Avenue, Torrance. Edward Greene, owner of Greene's Ready Mixed Concrete Co., started his concern in 1953 with a small plant. Now he has the most modern plant in the entire Bay area. From patios to skyscrapers, Greene's Ready Mixed Concrete is ready to supply the needed materials. They have concrete, concrete blocks, steel foundation bolts, rock, sand, fill dirt and all allied materials. Their staff of 13, and 8 trucks, are on the job at all times. Estimates are free of charge, so just call FR 9-2216. You will receive immediate delivery of the materials you need.
